CRICKET IN TANZANIA

I currently run a reasonable but very amateur, social cricket team called the Kenyan Pedagogues which is made up from teachers who are mainly on the prep school circuit here in Kenya. We have had several games in Nairobi and are now looking to branch out a little and go on an 'overseas tour' one weekend to Tanzania. I am struggling to find contacts in Arusha or somewhere similar so thought I would reach out to our parental body and ask for some help. If any of you know people in Arusha or somewhere similar that would fancy a social game of cricket at some stage one weekend then please get in touch: s.kenworthy@bandaschool.com

FUND RAISERS FOR NAIROBI GREENLINE
Thursday 3rd June

I would like to say a big thank you to the Year 4's, 5BS, 6HW and 6TM for bringing in some scrummy cakes for our cake sale last Thursday. There was definitely a green theme around The Banda for our mufti day. In addition squares of Nairobi National Park were 'sold' and lucky square prize winners were Ross Duder, Davide Bernardi, Arthur Norman and Tom Horner. Altogether these events raised Kshs.51,050.00 which is roughly enough to buy and maintain 250 indigenous trees along the 'greenline'. For further information visit nairobigreenline.com

PEGASUS PRE-PREP NEWS

PEGASUS FUN MORNING

Rather than a more formal Open Morning, we have decided that we will combine this term's event with an Environment themed Fun Morning on Wednesday 16th June. All classes will be involved in a number of activities enabling them to learn more about looking after the world in which we live. The activities will take place both inside the classrooms and outside in the garden. We would like the children to come to school in their home clothes on this day, but more specifically, please wear as much green as you can!

We would like to invite all of you to join us on this morning from 11:00 a.m. Please feel free to wander around the school seeing your children involved in various activities. This is intended to be a relaxed and informal opportunity for you as parents, friends and / or relatives to come and see Pegasus and the children in action.

The Environment themed Fun Morning will conclude at midday with a picnic lunch in the Pre-Prep garden and we would like to welcome as many of you as possible to this. Please bring along a picnic and a rug and have lunch with your children. The idea is for it to be an enjoyable event and a chance for you, as parents, also to get together.

I look forward to seeing as many as you as possible on Wednesday 16th. **P. Birkill**
